

What is Prosser EDA?

Prosser EDA is a non-profit organization, established in 1988, and designed to recruit new businesses and assist established ones in the community. Local citizens serve on the board and committees to ensure community values are at the core of Prosser's economic development.

Why is Prosser EDA important?

New Business—Prosser EDA will provide local economic, financial, and consulting information that is critical for a successful new business. We can also help you through compliance with city/county codes and permitting.

Existing Business—Prosser EDA can aid existing businesses with government regulations and employee training. We are here to represent your business interests.

Why is Prosser EDA needed?

Prosser EDA is here to help new business establishment and aid existing business when finances are scarce, expansion is considered, or human resource issues are tough to handle. We are here to provide confidential business assistance.

What does Prosser EDA do?

- Promotes job creation & business wealth
- Advocates for commercial growth
- Interfaces with local, county, and state officials to reduce obstacles
- Assists businesses / developers with location information
- Consults with public entities for efficient planning
- Provides a grant writer program for eligible public projects
- Assists industry with customized training and education programs

Prosser EDA is a 501(c)3 Non-Profit. For tax purposes use EIN # 91-1419348 for your membership donation.
